

Relax & Revel

in our rural beauty tucked between the Chesapeake Bay & the Atlantic Ocean.

We're rescuing you from the cubicle and setting you free on the longest stretch of natural coastline left on the entire Eastern Seaboard.

Unplug the kids and reconnect on pristine beaches, horse around in the salt air like the legendary Chincoteague Island Ponies, feel safe and at home in our historic Southern towns.

Grab your guy/gal pals for a Kayak Winery Tour, relish superior golfing, fishing, and fresh from the tides seafood. Soar the Shore by hang gliding or parasailing.

Escape with your sweetheart and sail the Bay, cruise deserted barrier islands, step back in time to the car-less isle of Tangier, shop galleries filled with local coastal art, and tour a trio of boutique wineries.

Our unexpected peninsula is located on the southern tip of the Delmarva Peninsula, 30 miles north – and a world away from the congestion of Virginia Beach.
